

A Wish From Baby

I have a little wish for you
for you my mommy-to-be,
this is a way for me to say
thank you for loving me!

I wished upon the twinkling stars
for you , my mommy to know,
that I can already feel
all the love you show!

How you rub your belly
and sing me a sweet song,
and how you ask my daddy
to join in and sing along!

Sometimes it is hard I know
to always do what's right,
like watching what you eat
to make my future bright!

You've already made me happy
my loving mommy-to-be,
you're not waiting until I'm born
you are already loving me!

You will know my wish came true
when you feel how much I care,
a little wish from baby
with so much love to share!
