

Big Brother / Little Brother

I brought him home today
you're now a big brother, waiting to play
but soon he'll grow, and you will see
just how much fun, being a big brother can be.

Soon he'll follow you everyday
and he'll repeat whatever you say,
he will always be your friend
his love for you will never end.

There's no greater bond of friendship here
than that of brothers who's love is dear.

So please be patient, very soon he'll grow
there's so much, he needs to know
how you came first, to lead the way
and at his side, you'll always stay.

All about the right things to do
you know he will be watching you.

This is the best way for you to see
how much you really mean to me.

When you can see that love can grow,
it's only then, that you could know.
