

## Big Sister / Little Brother

I brought him home today  
you're now a big sister, waiting to play  
but soon, he'll grow, and you will see  
just how much fun, being a big sister can be.

Soon he'll follow you everyday  
and he'll repeat whatever you say,  
he will always be your friend  
his love for you will never end.

There's no greater bond of friendship here  
than that of siblings who's love is dear.

So please be patient, very soon he'll grow  
there's so much, he needs to know  
how you came first, to lead the way  
and at his side, you'll always stay.

All about the right things to do  
you know he will be watching you.  
This is the best way for you to see  
how much you really mean to me  
when you can see that love can grow,  
it's only then, that you could know.
