

"Daddy's Girl"

When you jump up on my lap
to give a kiss and hug,
nothing in this world
gives my heart such a tug!
The way you make me laugh
when standing on your head,
acting silly so I'll look
til' your face turns all red!
I know you'll always be...
and I felt it from the start,
no matter how old you get
you're my little sweetheart!
You're growing much too fast
time flies by in a whirl,
but you'll always be
Daddy's Little Girl!
