

"Remember You're His Daddy"

Remember you're his daddy
when he's crying late at night,
when he needs a little loving
to know that it's alright.

Remember you're his daddy
when you're playing with his toys,
when you take the time to teach him
how you both can be good boys.

Remember you're his daddy
when he's had a real rough day,
when school's been very tough on him
and nothing's went his way.

Remember you're his daddy
when he goes on his first date,
when you tell him to be in by ten
and he's not home 'till late.

Remember you're his daddy
when he makes you very proud,
when in a very awkward way
he stands out in a crowd.

Remember you're his daddy
as he grows before your eyes,
stop to talk and listen
before it's time for your goodbyes.

Remember you're his daddy
remember I'm your wife,
we know that you'll love us
for the rest of your life.
