

The Parent's Prayer

Dear God,
Thank you for my little one,
I know we will have lots of fun.
Help me to be firm and wise
and see things through my child's eyes.
Give me courage and patience too
so I'll know the right things to do.
Please show me what I need to know
so I can help my child grow.
Thank you for this life you've shared
trusting me to take great care.
Help me please to always see
the blessing you have given me!
