

Welcome Baby

Welcome Baby to our world
how brave of you to come.
We are here to welcome you
as your journeys just begun.

Here's our opportunity
to help each other grow.
To experience all the things,
alone... we would not know.

You have been successful,
from your very start.
Just welcoming you, has made us all
release love from our hearts.

So remember little Baby
as you grow into your dreams.
Everything in this world
is not always what it seems.

Welcome others into your world
and it is there, that you will find.
All the love you ever knew
was never left behind.
