

## “You’re The One In My Dreams”

When I was a little girl growing up  
I would dream of being your mommy  
I would think about  
the songs we would sing  
and the games we would play.  
The way that I would hold you  
and comfort you and love you.  
Then one day you were here...  
and I was your mommy!  
It was so incredible, so remarkable, so us!  
Because I realized when I was holding you  
and comforting you and loving you  
That you were the one!  
You were the one... in my dreams,  
when I was a little girl.  
You were the one who made me dream  
of being a mommy.  
Thank you for finding me!
